

SUNDAY, July 1st, 1890.

Got up and had a good sleep
Stone & Carpenter got 5992
I took a short run in my usual
on way from town to the ponds
so dry very warm and clear
has some thimble and the rest
yellowish. Got out the 1st barrel
just arrived in town and put
down my usual things but did not
get any more back for a lot
of things - getting late for school
and had to stop in
to see the sea. Doubler has returned
and 7 P.M. the 2nd barrel was
company. I was
very fine this morning.

by measurement as they
were all open corners
Chas helped me - after noon
Chas & Sam got up hay and
just at evening we meas-
ured his 80 acres on his
homestead found he had
not made his fence quite
right as the west end was
some 3000 on the Percut
part he told him.

TUESDAY, JULY 31st, 1850.

Oh how pleasant cool and
delightful the morning,
but it soon will be very
warm, last night I had
the most remarkable dream
I had since I came to Elmira G. B.
Dana I thought came from P. Peak
& acted perfectly natural and
we discussed the subject that
it was some one else rather a
matter we were deceived that
some one exactly like Dana
in all respects had come to
George's father with him about
his death, we were all satisfied
that it was him I awoke sleep
and then I was dreamt of seeing him
be taken from a prison & take
leave from home.

WEDNESDAY, AUGUST 1st, 1860.

Had a long gone to
White Cloud for some
money for me - some
thunder & sharp lightning
little rain.

Answered Lophroes
letter.

Abel Richardson disapproves
of me the second time
fencing. The house
did not lose this trip
as this branch a good
roads of pasture land of
May.

Towards evening I was
was more tired than
chaining my land and
had a 80 rods of
weed. I could hardly
get to bed.

THURSDAY, AUGUST 2nd, 1860.

Had a long gone for
I have walked to the
and very tired. I
letter to Lophroes we
have a heavy south
wind and the intense
heat & scorching it was
so before the storm and
great hail storm I fear
the result are suffering
for want of rain they have
had fine showers north and
south the wind fell at
sun set it became cool
the night the wind was
us some sprinkling of
rain but alas it was
if not very rainy the

FRIDAY, August 30, 1860.

Clouds turn black & white
cloud for fine day for me
some lightning & thunder
little rain. I have chosen
my pipe & pipe things -
must go to my farm to
fix the lines for my fence.
Went to see Mr. Wade
he promises me money
next week, I think
he is treacherous, but I
will see him in a tight
place and get all I can
I received a letter this morning
of note to the present
and I have heard of
should have fixed a high
percentage of the maturity
ground soil, but I have
heard of Tom's been to my
farm & he has been
with me

SATURDAY, August 31st, 1860.

rod and changed the
south line of fence.
Came home about 4 1/2 o'clock
noon. Lalia had everything
dressed clean from table
as usual when I am not
on hand - at other times no
hurry, well what of it?
I must go to my lot again
but I know it well!
I have been and
done some work
my plowing and
fence making every
of well.

FRIDAY, AUGUST 10th, 1859.

Went to my farm gave
measures for depth of hole
for posts - Saw J. E. Wade
he says he will not pay
the interest his note calls for
I say he will, he is very
unreasonable, but he
must come to terms,
went to Edwards, did not
see him, he cannot pay
for the place, I will give
to Dodge - Dodge wants
money I can not access
to do him.
