

Saw ye my Saviour - Do - and God
O he died on Calvary
To atone for you and me
And to purchase our pardon
He was extended
Shamefully nailed to the cross
O he bowed his head and died
Thus my Lord was crucified
To atone for the world that
was lost

Saw him my bleeding - Do
Three dreadfull hours in pain
O the soon refused to shine
When his Majesty divine
Was desecrated and slain

Darkness prevailed - Do - Do - on the
And the solid rocks were rent
Through creation vast extent
When the Jews crucified the God man

It is finished - Do -
And the Attainment was made
He was taken - by the great
And was buried in spices sweet
And in a new sepulcher laid

Had I mighty power to
The prince and the author of peace
O he leads the bands of death
And triumphs o'er the grave
He ascends the mansion of bliss
How now interceding do
Pleading that common sin
Crying Father I have died
Behold my hands and side
So redeem them I pray thee forgive
I will forgive them Lord
If they will but repent and believe
O let them return to thee
And be reconciled to me
And salvation they all shall receive

Poetry

Highland Aug 4, 1874
Received of Dana Fox, for
J. A. McFee, Forty Four
Dollars, in full of all
accounts to date.
W. Devoe.

The Denver Tribune says: "Con. Mackay, of Leavenworth, President of the Missouri Valley Life Insurance Company, is at present in Denver, where he is working up the Tontine twelve percent Compounding Investment Policy with great success among the capitalists and business men of Denver."

MR. A. C. NICHOLS, and his young son, met with a cold bath on Wednesday while returning from a fishing expedition. His boat coming in contact with a snag, just south of Mount Muncie Cemetery, foundered, and the inmates had to cling to the friendly log for safety. In this unpleasant position they remained all night, until rescued by Mr. Holehansen, who had started down the river in search of them. When brought to shore father and son were almost perished with cold.
