I had a poor night's  
rest - my mind troubled  
about the indifference and  
backwardness of the brethren  
in helping on the completion  
and payment of our fine  
Church - I am now tired  
out in procuring turf and  
getting sand - shovelled it myself

The mason did not come -

Heavy rain through the night  
and noon and prospect of  
more rain - I am trying  
to get a horse to go to Cedar  
to hear Dr. Parrott - I want  
the result.

I spent the latter part of the  
night in prayer for more grace  
that I may render acceptable  
service to God - if God but  
accept it all is well?

For "when God gives quietness,  
who can make trouble?"  
And when he hideth His face,  
who then can behold Him?
