Mr Stead Minnie Devae &
Ellin Lyman spent some
time in our parlor preparing
for tomorrow night

WEDNESDAY, DECEMBER 30, 1874.

Cold night & cold morning
He is much displeas'd at
my slow movements -
after reading 19 vims of the
19th of Dec and making
a short prayer - I will not
repeat^{*} but it went beyond
any thing I ever heard
his temper is uncontrollable

This evening I married
Melzer & Lyman to 23 vims
Miss Minnie Devoe 19 vims
large party went off finely

* He did say your reading and praying
will be the means of my damp-
ing down - I shall abandon formal
prayer words, until we shall see

THURSDAY, DECEMBER 31, 1874.

Fine morning - the year just
about to expire is fraught with
most interesting events

How wonderful that I have
lived while so many young
have died & mourn my
misspent time - I praise
God to be successful to me
an unprofitable servant

Some once past - can
never be recalled
The fleeting year months days
hours and minutes have
cleared with them a minute
history of all we have thought
and done and will appear
for or against us in the Judgment
Then the awful book will be display'd
1874 with the important deeds of my life
Each secret deed be public and all
As wrote by God's unerring pen
